

AnteAGE®
Growth Factors & Cytokines

LIFT +
LIGHTEN

WITH ANTEAGE®

EYE

ANTEAGE EYE IS A POWERFUL,
YET GENTLE SOLUTION DESIGNED
TO TARGET THE SIGNS OF AGING

RESULTS

AFTER TWO WEEKS

Twice daily use

Powered by Bone Marrow Stem Cell Cytokines, this silky formula will improve the appearance of **wrinkles, puffiness, and under-eye darkness** with measurable results in a **short period of time** with

- **antioxidants** to defend from free radicals
- **peptides** that firm and tighten skin
- a **retinol-analog** to stimulate collagen
- **brightening** agents to soften darkness
- **skin barrier lipids** to support tissue integrity and hydrate while minimizing creepiness
